The 2021 WAC Members and Alternates list is attached (future changes may be possible with Valley of the Moon Water District WAC representation). New WAC members include Walter Linares and Alternate Pam Stafford (City of Rohnert Park), Tom Schwedhelm and Alternate Natalie Rogers (City of Santa Rosa), Jack Ding (City of Sonoma), Alternate Laura Sparks (City of Cotati) and Mike Healy (City of Petaluma). Melissa James, Sonoma County Water Agency Executive Assistant will be making outreach to each of the new WAC members via email to provide them with the following information (hard copy binders will also be available upon request):

- Copy of Restructured Water Agreement
- Copy of Powers of the WAC
- Water Transmission Budget
- Russian River System Map
- Sonoma Marin Saving Water Partnership Info
- Russian River Biological Opinion Info
- WAC/TAC meeting schedule
- WAC and TAC Rosters

Due to COVID concerns, a normally scheduled tour of Agency facilities in the Spring will be rescheduled to a later date when safe to do so. These tours are important to provide new WAC members the opportunity to learn more about the Agency's water system.
