WHEREAS, the Restructured Agreement defines Water Contractors as the signatories to the Restructured Agreement except SCWA and Forestville and creates the Water Advisory Committee (WAC) and Technical Advisory Committee (TAC); and

WHEREAS, the purpose of the TAC is to consider and make recommendations to the WAC on important matters of water policy and water management, and in so doing the TAC functions in the same manner as a local agency legislative body; and

WHEREAS, all meetings of the Water Advisory Committee and Technical Advisory Committee are open and public, as required by the Ralph M. Brown Act, Government Code Section 54950, *et seq*, and any member of the public may observe, attend, and participate in the business of such legislative bodies; and

Brown Act (“Brown Act”) in order to allow local legislative bodies to conduct meetings telephonically or by other means, after which the TAC implemented virtual meetings for all of its meetings; and

WHEREAS, on June 11, 2021, Governor Newsom issued Executive Order N-08-21, which terminated the provisions of Executive Order N-29-20 that allows local legislative bodies to conduct meetings telephonically or by other means effective September 30, 2021; and

WHEREAS, on September 16, 2021, Governor Newsom signed Assembly Bill 361 (2021) (“AB 361”), which amended the Brown Act to allow local legislative bodies to continue to conduct meetings by teleconference under specified conditions and pursuant to special rules on notice, attendance, and other matters; and

WHEREAS, AB 361, pursuant to Executive Order N-15-21, took full effect on October 1, 2021 and requires the TAC to make specific findings to continue meeting under special teleconference rules; and

WHEREAS, in addition to finding the Governor has declared a State of Emergency pursuant to Government Code section 8625, such findings include that state or local officials have imposed or recommended measures to promote physical distancing, or, in the alternative, that the legislative body determines that meeting in person would present imminent risks to the health and safety of attendees; and

WHEREAS, Governor Newsom has declared a State of Emergency due to COVID-19, state and local officials have imposed or recommended measures to promote physical distancing, and the TAC has determined that meeting in person would present imminent risks to the health and safety of attendees, including members of the public and TAC members; and

WHEREAS, on August 2, 2021, in response to the emergence of the highly contagious Delta variant of COVID-19, which caused an increase in COVID-19 cases throughout the United States, State, and Sonoma County, the Sonoma County Health Officer issued an order for nearly all individuals to wear masks when inside public spaces; and

WHEREAS, the Centers for Disease Control and Prevention (“CDC”) and Sonoma County continue to recommend physical distancing of at least six feet from others outside of the household; and

WHEREAS, “Protecting Workers: Guidance on Mitigating and Preventing the Spread of COVID-19 in the Workplace,” promulgated by the Occupational Safety and Health Administration (“OSHA”) under the United States Department of Labor, provides that “[m]aintaining physical distancing at the workplace for [unvaccinated and at-risk] workers is an important control to limit the spread of COVID-19” and recommends that employers train employees about the airborne nature of COVID-19 and importance of exercising multiple layers of safety measures, including physical distancing, and that employers implement “physical distancing in all communal work areas for unvaccinated and otherwise at-risk workers,” including physical distancing from members of the public, as a “key way to protect such workers”; and

WHEREAS, the TAC recognizes the recommendations by state and local officials to use physical distancing as a layer of protection against COVID-19 and desires to continue to provide a safe workplace for its members and a safe environment for the open and public meetings of the TAC; and

WHEREAS, the TAC hereby finds that the presence of COVID-19 and the increase of cases due to the Delta variant would present imminent risks to the health or safety of attendees, including members of the public and TAC members, should meetings of the TAC be held in person; and

WHEREAS, the TAC members shall ensure TAC meetings comply with the special teleconference rules under the Brown Act, as amended by Assembly Bill 361.
