Subj: New WAC Member Orientation

February 2, 2022

The 2022 WAC Members and Alternates list is attached. There is only one new WAC member, Brooke Harland (Valley of the Moon Water District). Melissa James, Sonoma County Water Agency Executive Assistant will be making outreach to her via email to provide the following information (hard copy binder will also be available upon request):

- Copy of Restructured Water Agreement
- Copy of Powers of the Water Advisory Committee
- Water Transmission Budget
- Russian River System Map
- Sonoma Marin Saving Water Partnership Information
- Russian River Biological Opinion Information
- WAC/TAC meeting schedule
- WAC and TAC Rosters

Due to COVID concerns, a normally scheduled tour of Agency facilities in the Spring will be rescheduled to a later date when safe to do so. These tours are important to provide new WAC members the opportunity to learn more about the Agency's water system.
