

2022 Eco-Friendly Garden Tour

- The Eco-Friendly Garden Tour (EFGT) is a public outreach and education program that promotes sustainable landscaping practices by showcasing inspiring gardens throughout Sonoma and Marin counties.
- The Tour is virtual and goes live on **Saturday, May 14th at 10am**. The tour will be self-guided and continue to be on the Partnership's website after the tour date.
- Gardens filmed and photographed by Brown Barn Films.
- Features 11 gardens with a native plant design focus.
