12. **QUESTION(S)/ANSWER(S)**

Sonoma Water responses to questions are for the purposes of interpretation and clarification of the Request for Proposals and shall not be construed as changing, superseding, or contradicting any express term in the Request for Proposals. Questions received are listed below.

1. Question: I am trying to figure out how often you want these tanks cleaned out. How often you want ROV inspections performed .

Answer: See Paragraph 8.2.i.i.

2. Question: Please advise if RFP Water Transmission Storage Tank Maintenance project requires cathodic protection .. if so where can I download the plans and specs?

Answer: Existing water storage tanks include cathodic protection that is required to be inspected and repaired as needed. The final agreement will be for long-term maintenance of the water storage tanks, no plans or specifications are provided. Please refer to Paragraph 8.2.

3. Question: We need to see the bid documents before actually bidding on this project. Is here a link to download them?

Answer: The final agreement will be for long-term maintenance of the water storage tanks, no plans or specifications are provided. Please refer to Paragraph 8.2.

Sincerely,

Pamela Jeane, P. E.
