1. INTRODUCTION
   1.1. Sonoma County Water Agency, and its affiliated sanitation districts, Occidental County Sanitation District, Russian River County Sanitation District, Sonoma Valley County Sanitation District, and South Park County Sanitation District (collectively Sonoma Water), invite proposals from firms interested in providing as-needed labor compliance services for construction projects. Some projects may be subject to a DIR approved Labor Compliance Program. The selected firm will be contracted to monitor labor compliance for capital improvement projects with state or federal funding.

   1.2. Sonoma Water does not guarantee work to any qualified firm.

   1.3. This is not a bid process.

2. BACKGROUND
   2.1. Public entities undertaking a public works project funded in whole or in part by state or federal funds are required to ensure compliance with applicable prevailing wage and apprenticeship laws and regulations.

   2.2. The purpose of this Request for Proposals (RFP) is to solicit qualified consultants to provide as-needed labor compliance administrative services pursuant to the California Labor Code and relevant Code of Federal Regulations for public works projects. The consultant will act as a labor compliance conduit between general
contractors who perform construction activities on state or federally assisted capital improvement projects, Sonoma Water, and the state or federal labor compliance regulatory agencies. The objective is to ensure overall compliance with state and federal labor regulations.

2.3. Services may include but are not limited to the following:

a. **Standard Program Administration Services.**
   
i. Review and advise concerning project manual documents for appropriate federal and state labor classifications and requirements prior to award.
   
ii. Review documentation submitted by bidder(s) for acceptance of the bid including, but not limited to, compliance with licensing and subcontractors listing.
   
iii. Review contractor’s progress schedule and revised progress schedules to ascertain contractor’s and subcontractor’s weekly payroll reporting requirements.
   
iv. Provide a representative to attend the preconstruction conference and review the labor law requirements with contractor as specified by the federal Davis Bacon Act 29 Code of Federal Regulations (CFR) Parts 1, 3 and 5 as amended, and the California Code of Regulations, Title 8, Section 16430.
   
v. Perform on-site field interviews as required by Federal David-Bacon Act.
   
vi. Receive certified payrolls every week directly from contractor and subcontractors for construction projects funded in whole or part by federal funds or bonds issued by the State of California to fund public works projects, or as designated by Sonoma Water for compliance with the federal Davis Bacon Act as amended, and Sections 1770 et seq. of the Labor Code of the California Code of Regulations (CCR).
   
vii. Forward copies of certified payrolls to Sonoma Water, within one week of Sonoma Water’s receipt from contractor for compliance.
   
ix. Provide written notification to Sonoma Water within 5 business days of discovery of any contractor delinquencies or inadequacies in submitted payroll records.

x. Provide written notification to Sonoma Water within 5 business days of discovery of any contractor noncompliance or suspected violations of General Prevailing Rate of Per Diem Wages as defined in the Davis Bacon Act as amended, and Title 8 CCR Section 16000, which were determined to be prevailing in the determination of the U.S. Department of Labor and the Director of the Department of Industrial Relations and that was in
effect on the date required by federal and state prevailing wage and apprenticeship laws and regulations.

xi. Prepare and submit on behalf of Sonoma Water any report(s) required by Sonoma Water’s State-approved Labor Compliance Program or any other reports required or requested by the Davis Bacon Act as amended and the Division of Labor Standards Enforcement (DLSE).

dii. If applicable, notify Sonoma Water of need to send Notice of Deadlines to contractor. Prepare and provide Notice of Deadline and required enclosures for Notice of Deadline to Sonoma Water for transmittal to contractor and/or the U.S. Department of Labor, and the state Labor Commissioner (as required) for forfeitures in accordance with Section 16437 of the Business and Professions Code.

xiii. Review and make recommendations to Sonoma Water of information provided by contractor in response to a Notice of Deadline.

xiv. Provide recommendations to Sonoma Water of the anticipated amount of funds that may be withheld to cover underpayment and any applicable penalties if, after investigation, the U.S. Department of Labor, and/or the state Labor Commissioner have established that an underpayment has occurred by contractor for suspected violations of the Davis Bacon Act as amended and/or applicable state Labor Code Sections (failure to meet federal and/or state prevailing wage and apprenticeship requirements). Provide recommendations of anticipated withholding within two weeks of submission of any request for a determination of violation or investigation of alleged violations to the U.S. Department of Labor and DLSE.

xv. Perform audits in accordance with the Davis Bacon Act as amended and Title 8 CCR Section 16432. Provide a copy of completed audit form to Sonoma Water within 10 business days of completion of audit.

xvi. Review and make recommendations to Sonoma Water of any findings, determinations, or directions issued by the U.S. Department of Labor and DLSE.

xvii. If requested by Sonoma Water, provide representation at any noticed hearings conducted by the U.S. Department of Labor and DLSE for alleged violations. Representative in attendance shall have full knowledge of circumstances resulting in scheduled hearing prior to attendance at hearing. Sonoma Water shall act as representative to Sonoma Water during such hearing.

xviii. Advise Sonoma Water as to other steps necessary to comply with applicable federal and state labor laws with respect to any project covered by an Agreement Memorandum and, if requested by Sonoma Water, take steps necessary to comply.
b. **Progress Meetings.** Attend at least one meeting, in person or by telephone, with Sonoma Water’s Project Manager to discuss the work in progress.

3.1. A 5 percent weighting will be provided in the total rating score for local firms. A Local Service Provider (local firm) is defined as a business or consultant that has a valid physical address located within Sonoma County from which the vendor or consultant operates or performs business on a day-to-day-basis, and holds a valid business license if required by a city within the jurisdiction of Sonoma County. A business shall affirm it qualifies as a local business on the provided Attachment 1 (Declaration of Local Business for Services).

4. **LIVING WAGE**

Please make comments as specific as possible; do not reference exceptions included in prior agreements. Exceptions not explicitly stated in the proposal will not be considered during negotiations. Please note that proposing significant changes to standard terms may result in a lower evaluation score. If standard terms are acceptable, include the statement “No exception to standard terms.”

j. Completed Declaration of Local Business for Services, if applicable.

5.3. Submit an electronic copy of the proposal to Sonoma Water at Submissions@scwa.ca.gov by 2:00 p.m., Wednesday, June 24, 2020. Please reference TW 19/20-053 in the subject line of the email. The parties expressly recognize that Sonoma Water personnel are without authorization to order all other extra or changed work or waive Agreement requirements. Failure of Consultant to secure such written authorization for extra or changed work shall constitute a waiver of any and all right to adjustment in the Agreement price or Agreement time due to such unauthorized work and thereafter Consultant shall be entitled to no compensation whatsoever for the performance of such work. Consultant further expressly waives any and all right or remedy by way of restitution and quantum meruit for any and all extra work performed without such express and prior written authorization of Sonoma Water.

Upon such notice, Consultant shall, without charge to Sonoma Water, repair or replace the non-compliant materials within such period of time as specified by Sonoma Water in writing. If the required repair or replacement is not completed within the time specified, Sonoma Water shall have the right to do any or all of the following, without prejudice to Sonoma Water’s right to pursue any and all other remedies at law or in equity:

Without limiting the generality of the foregoing, Consultant expressly acknowledges and agrees that this Agreement is subject to the provisions of Article XXVI of Chapter 2 of the Sonoma County Code, requiring payment of a living wage to covered employees. All nondiscrimination rules or regulations required by law to be included in this Agreement are incorporated herein by this reference.

13.8. Assignment of Rights: Consultant assigns to Sonoma Water all rights throughout the world in perpetuity in the nature of copyright, trademark, patent, right to ideas, in and to all versions of the plans and specifications, if any, now or later prepared by Consultant in connection with this Agreement. Consultant agrees to take such actions as are necessary to protect the rights assigned to Sonoma Water in this Agreement, and to refrain from taking any action which would impair those rights. Consultant’s responsibilities under this provision include, but are not limited to, placing proper notice of copyright on all versions of the plans and specifications as Sonoma Water may direct, and refraining from disclosing any versions of the plans and specifications to any third party without first obtaining written permission of Sonoma Water. Consultant shall not use or permit another to use the plans and specifications in connection with this or any other project without first obtaining written permission of Sonoma Water.

13.9. Ownership and Disclosure of Work Product: All reports, original drawings, graphics, plans, studies, and other data or documents (“documents”), in whatever form or format, assembled or prepared by Consultant or Consultant’s subcontractors, consultants, and other agents in connection with this Agreement shall be the property of Sonoma Water. Sonoma Water shall be entitled to immediate possession of such documents upon completion of the work pursuant to this Agreement. Upon expiration or termination of this Agreement, Consultant shall promptly deliver to Sonoma Water all such documents, which have not already been provided to Sonoma Water in such form or format as Sonoma Water deems appropriate. Such documents shall be and will remain the property of Sonoma Water without restriction or limitation. Consultant may retain copies of the above described documents but agrees not to disclose or discuss any information gathered, discovered, or generated in any way through this Agreement without the express written permission of Sonoma Water.
13.10. **District Liability:** Districts are separate legal entities from Sonoma County Water Agency, operated under contract by Sonoma County Water Agency. To the extent any work under this Agreement relates to District activities, Consultant shall be paid exclusively from District funds. Consultant agrees that it shall make no claim for compensation for Consultant’s services against Sonoma County Water Agency funds and expressly waives any right to be compensated from other funds available to Sonoma County Water Agency.

14. **DEMAND FOR ASSURANCE**

14.1. Each party to this Agreement undertakes the obligation that the other's expectation of receiving due performance will not be impaired. When reasonable grounds for insecurity arise with respect to the performance of either party, the other may in writing demand adequate assurance of due performance and until such assurance is received may, if commercially reasonable, suspend any performance for which the agreed return has not been received. “Commercially reasonable” includes not only the conduct of a party with respect to performance under this Agreement, but also conduct with respect to other agreements with parties to this Agreement or others. After receipt of a justified demand, failure to provide within a reasonable time, but not exceeding thirty (30) days, such assurance of due performance as is adequate under the circumstances of the particular case is a repudiation of this Agreement. Acceptance of any improper delivery, service, or payment does not prejudice the aggrieved party's right to demand adequate assurance of future performance. Nothing in this Article 14 limits Sonoma Water's right to terminate this Agreement pursuant to Article 7 (Termination).

15. **ASSIGNMENT AND DELEGATION**

15.1. **Consent:** Neither party hereto shall assign, delegate, sublet, or transfer any interest in or duty under this Agreement without the prior written consent of the other, and no such transfer shall be of any force or effect whatsoever unless and until the other party shall have so consented.

15.2. **Subcontracts:** Notwithstanding the foregoing, Consultant may enter into subcontracts with the subconsultants specifically identified herein. If no subconsultants are listed, then no subconsultants will be utilized in the performance of the work specified in this Agreement. [TBD]

15.3. **Change of Subcontractors or Subconsultants:** If, after execution of the Agreement, parties agree that subconsultants not listed in Paragraph 15.2 will be utilized, Consultant may enter into subcontracts with subconsultants to perform other specific duties pursuant to the provisions of this Paragraph 15.2. The following provisions apply to any subcontract entered into by Consultant other than those listed in Paragraph 15.2:
a. Prior to entering into any contract with subconsultant, Consultant shall obtain Sonoma Water approval of subconsultant.

b. All agreements with subconsultants shall (a) contain indemnity requirements in favor of Sonoma Water in substantially the same form as that contained in Article 8 (Indemnification), (b) contain language that the subconsultant may be terminated with or without cause upon reasonable written notice, and (c) prohibit the assignment or delegation of work under the agreement to any third party.

15.4. *Summary of Subconsultants’ Work:* Consultant shall provide Sonoma Water with a summary of work performed by subconsultants with each invoice submitted under Paragraph 5.3. Such summary shall identify the individuals performing work on behalf of subconsultants and the total amount paid to subconsultant, broken down by the tasks listed in the Scope of Work.

16. **METHOD AND PLACE OF GIVING NOTICE, SUBMITTING BILLS, AND MAKING PAYMENTS**

16.1. *Method of Delivery:* All notices, bills, and payments shall be made in writing and shall be given by personal delivery, U.S. Mail, courier service, or electronic means. Notices, bills, and payments shall be addressed as specified in Paragraph 4.2.

16.2. *Receipt:* When a notice, bill, or payment is given by a generally recognized overnight courier service, the notice, bill, or payment shall be deemed received on the next business day. When a copy of a notice, bill, or payment is sent by electronic means, the notice, bill, or payment shall be deemed received upon transmission as long as (1) the original copy of the notice, bill, or payment is deposited in the U.S. mail and postmarked on the date of the electronic transmission (for a payment, on or before the due date), (2) the sender has a written confirmation of the electronic transmission, and (3) the electronic transmission is transmitted before 5 p.m. (recipient’s time). In all other instances, notices, bills, and payments shall be effective upon receipt by the recipient. Changes may be made in the names and addresses of the person to whom notices are to be given by giving notice pursuant to this Article 16.

17. **MISCELLANEOUS PROVISIONS**

17.1. *No Bottled Water:* In accordance with Sonoma Water Resolution No. 09-0920, dated September 29, 2009, no Sonoma Water funding shall be used to purchase single-serving, disposable water bottles for use in Sonoma Water facilities or at Sonoma Water-sponsored events. This restriction shall not apply when potable water is not available.

17.2. *No Waiver of Breach:* The waiver by Sonoma Water of any breach of any term or promise contained in this Agreement shall not be deemed to be a waiver of such
term or promise or any subsequent breach of the same or any other term or promise contained in this Agreement.

17.3. **Construction:** To the fullest extent allowed by law, the provisions of this Agreement shall be construed and given effect in a manner that avoids any violation of statute, ordinance, regulation, or law. The parties covenant and agree that in the event that any provision of this Agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remainder of the provisions hereof shall remain in full force and effect and shall in no way be affected, impaired, or invalidated thereby. Consultant and Sonoma Water acknowledge that they have each contributed to the making of this Agreement and that, in the event of a dispute over the interpretation of this Agreement, the language of the Agreement will not be construed against one party in favor of the other. Consultant and Sonoma Water acknowledge that they have each had an adequate opportunity to consult with counsel in the negotiation and preparation of this Agreement.

17.4. **Consent:** Wherever in this Agreement the consent or approval of one party is required to an act of the other party, such consent or approval shall not be unreasonably withheld or delayed.

17.5. **No Third-Party Beneficiaries:** Except as provided in Article 8 (Indemnification), nothing contained in this Agreement shall be construed to create and the parties do not intend to create any rights in third parties.

17.6. **Applicable Law and Forum:** This Agreement shall be construed and interpreted according to the substantive law of California, regardless of the law of conflicts to the contrary in any jurisdiction. Any action to enforce the terms of this Agreement or for the breach thereof shall be brought and tried in Santa Rosa or in the forum nearest to the City of Santa Rosa, in the County of Sonoma.

17.7. **Captions:** The captions in this Agreement are solely for convenience of reference. They are not a part of this Agreement and shall have no effect on its construction or interpretation.

17.8. **Merger:** This writing is intended both as the final expression of the Agreement between the parties hereto with respect to the included terms and as a complete and exclusive statement of the terms of the Agreement, pursuant to Code of Civil Procedure section 1856. Each Party acknowledges that, in entering into this Agreement, it has not relied on any representation or undertaking, whether oral or in writing, other than those which are expressly set forth in this Agreement. No modification of this Agreement shall be effective unless and until such modification is evidenced by a writing signed by both parties.

17.9. **Survival of Terms:** All express representations, waivers, indemnifications, and limitations of liability included in this Agreement will survive its completion or termination for any reason.
17.10. *Time of Essence:* Time is and shall be of the essence of this Agreement and every provision hereof.
IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the date last signed by the parties to the Agreement.

Insurance Requirements

With respect to performance of work under this Agreement, Consultant shall maintain and shall require all of its subcontractors, consultants, and other agents to maintain insurance as described below unless such insurance has been expressly waived by the attachment of a Waiver of Insurance Requirements. Any requirement for insurance to be maintained after completion of the work shall survive this Agreement.

Sonoma Water reserves the right to review any and all of the required insurance policies and/or endorsements, but has no obligation to do so. Failure to demand evidence of full compliance with the insurance requirements set forth in this Agreement or failure to identify any insurance deficiency shall not relieve Consultant from, nor be construed or deemed a waiver of, its obligation to maintain the required insurance at all times during the performance of this Agreement.

1. **INSURANCE**

   **1.1. Workers Compensation and Employers Liability Insurance**
   a. Required if Consultant has employees as defined by the Labor Code of the State of California.

   d. Required Evidence of Insurance: Certificate of Insurance.
   e. If Consultant currently has no employees as defined by the Labor Code of the State of California, Consultant agrees to obtain the above-specified Workers Compensation and Employers’ Liability insurance should employees be engaged during the term of this Agreement or any extensions of the term.

   **1.2. General Liability Insurance**
   a. Commercial General Liability Insurance on a standard occurrence form, no less broad than Insurance Services Office (ISO) form CG 00 01.

The required limits may be provided by a combination of General Liability Insurance and Commercial Excess or Commercial Umbrella Liability Insurance. If Consultant maintains higher limits than the specified minimum limits, Sonoma Water requires and shall be entitled to coverage for the higher limits maintained by Consultant.
   c. Any deductible or self-insured retention shall be shown on the Certificate of Insurance. If the deductible or self-insured retention exceeds $25,000 it
must be approved in advance by Sonoma Water. Consultant is responsible for any deductible or self-insured retention and shall fund it upon Sonoma Water’s written request, regardless of whether Consultant has a claim against the insurance or is named as a party in any action involving Sonoma Water.

d. Sonoma County Water Agency, Russian River County Sanitation District, and Sonoma Valley County Sanitation District, their officers, agents, and employees, shall be endorsed as additional insureds for liability arising out of operations by or on behalf of Consultant in the performance of this Agreement.

e. The insurance provided to the additional insureds shall be primary to, and non-contributory with, any insurance or self-insurance program maintained by them.

f. The policy definition of “insured contract” shall include assumptions of liability arising out of both ongoing operations and the products-completed operations hazard (broad form contractual liability coverage including the “f” definition of insured contract in Insurance Services Office form CG 00 01, or equivalent).

g. The policy shall cover inter-insured suits between the additional insureds and Consultant and include a “separation of insureds” or “severability” clause which treats each insured separately.

h. Required Evidence of Insurance:
   i. Copy of the additional insured endorsement or policy language granting additional insured status, and
   ii. Certificate of Insurance.

1.3. Automobile Liability Insurance

   a. Minimum Limit: $1,000,000 combined single limit per accident. The required limit may be provided by a combination of Automobile Liability Insurance and Commercial Excess or Commercial Umbrella Liability Insurance.

   d. Required Evidence of Insurance: Certificate of Insurance.

1.4. Professional Liability/Errors and Omissions Insurance

   a. Minimum Limit: $1,000,000 per claim or per occurrence; $1,000,000 annual aggregate.

   b. Any deductible or self-insured retention shall be shown on the Certificate of Insurance. If the deductible or self-insured retention exceeds $25,000 it must be approved in advance by Sonoma Water.
c. If Consultant’s services include: (1) programming, customization, or maintenance of software; or (2) access to individuals’ private, personally identifiable information, the insurance shall cover:
   i. Breach of privacy; breach of data; programming errors, failure of work to meet contracted standards, and unauthorized access; and
   ii. Claims against Consultant arising from the negligence of Consultant, Consultant’s employees and Consultant’s subcontractors.

d. If the insurance is on a Claims-Made basis, the retroactive date shall be no later than the commencement of the work.

e. Coverage applicable to the work performed under this Agreement shall be continued for two (2) years after completion of the work. Such continuation coverage may be provided by one of the following: (1) renewal of the existing policy; (2) an extended reporting period endorsement; or (3) replacement insurance with a retroactive date no later than the commencement of the work under this Agreement.

f. Required Evidence of Insurance: Certificate of Insurance specifying the limits and the claims-made retroactive date.

1.6. Documentation

a. The Certificate of Insurance must include the following reference: TW 19/20-053.

b. All required Evidence of Insurance shall be submitted prior to the execution of this Agreement. Consultant agrees to maintain current Evidence of Insurance on file with Sonoma Water for the entire term of this Agreement and any additional periods if specified in Sections 1.1, 1.2, 1.3, or 1.4 above.

c. The name and address for mailing Additional Insured endorsements and Certificates of Insurance is: Sonoma County Water Agency, Russian River County Sanitation District, and Sonoma Valley County Sanitation District, c/o Sonoma County Water Agency, 404 Aviation Boulevard, Santa Rosa, CA 95403-9019.

d. Required Evidence of Insurance shall be submitted for any renewal or replacement of a policy that already exists, at least ten (10) days before expiration or other termination of the existing policy.

e. Consultant shall provide immediate written notice if: (1) any of the required insurance policies is terminated; (2) the limits of any of the required policies are reduced; or (3) the deductible or self-insured retention is increased.

f. Upon written request, certified copies of required insurance policies must be provided within thirty (30) days.
1.7. Policy Obligations
   a. Consultant's indemnity and other obligations shall not be limited by the
      foregoing insurance requirements.

1.8. Material Breach
   a. If Consultant fails to maintain insurance which is required pursuant to this
      Agreement, it shall be deemed a material breach of this Agreement. Sonoma
      Water, at its sole option, may terminate this Agreement and obtain damages
      from Consultant resulting from said breach. Alternatively, Sonoma Water
      may purchase the required insurance, and without further notice to
      Consultant, Sonoma Water may deduct from sums due to Consultant any
      premium costs advanced by Sonoma Water for such insurance. These
      remedies shall be in addition to any other remedies available to Sonoma
      Water.
