11. **QUESTIONS/ANSWERS**
    Sonoma Water responses to questions are for the purposes of interpretation and clarification of the Request for Proposals and shall not be construed as changing, superseding, or contradicting any express term in the Request for Proposals. Questions received are listed below.

1. **Question:** “Do projects need to be stand alone projects?”
   Answer: Yes.

2. **Question:** “In other words is part of a large stream project is revegetation as a component of the 404 permit, would the revegetation plan, planting and maintenance/monitoring qualify under the RFP?”
   Answer: No.

3. **Question:** “Is there a limit to the number of proposals we should submit?”
   Answer: No.
4. **Question**: “The proposed project area is inside Petaluma city limits where the Stream Maintenance Program might be working. Should we avoid submitting a proposal for inside Petaluma City Limits...?”
   
   Answer: No.
   
   “...or this low in the watershed?”
   
   Answer: This is in the Request for Proposals. Please submit per the Request for Proposals.

5. **Question**: “Several project sites are in the San Antonio Creek Watershed, a major tributary to the Petaluma River. Is this watershed a priority area?”
   
   Answer: No.

6. **Question**: “If a proposal has been declined in previous rounds is it okay to resubmit?”
   
   Answer: Yes.

Sincerely,

Jessica Martini-Lamb
Sonoma Water Environmental Resources Manager
