Sonoma County Water Agency Request for Statements of Qualifications

Deadline for Submission

2:00 p.m., Wednesday, November 3, 2021

RE: REQUEST FOR STATEMENTS OF QUALIFICATIONS FOR MASTER PLANS AND SPECIAL STUDIES SERVICES

1. INTRODUCTION

1.1. Sonoma County Water Agency and its affiliated sanitation districts (Sonoma Water) invite Statements of Qualifications (SOQs) from firms interested in providing wastewater collection, treatment, storage, and disposal master planning services and special studies. A list of qualified firms will be developed and used over the next three years for future projects including, but not limited to, the following:

- a. Sonoma Valley County Sanitation District Treatment Plant Master Plan
- b. Airport/Larkfield/Wikiup Sanitation Zone Treatment Plant and Reclamation Master Plan
- c. Penngrove Collection System Master Plan

1.2. Sonoma Water does not guarantee work to any qualified firm.

1.3. This is not a bid process.

2. PASS/FAIL REQUIREMENTS

2.1. SOQs that do not meet requirements and show evidence thereof under Section 4, Minimum Qualifications, will not be evaluated under Section 9, Evaluation.

3. BACKGROUND

- 3.1. Sonoma County Water Agency owns, operates, and manages Airport/Larkfield/Wikiup Sanitation Zone, Geyserville Sanitation Zone, Penngrove Sanitation Zone, and Sea Ranch Sanitation Zone (“Zones”).
- 3.2. Sonoma County Water Agency operates and manages Occidental County Sanitation District, Russian River County Sanitation District, Sonoma Valley County Sanitation District, and South Park County Sanitation District (“Districts”).
- 3.3. Wastewater treatment plant master plans provide an overall plan to coordinate and prioritize recommended improvements that incorporate past studies, completed improvements, and future improvements to maintain system reliability, address current and potential regulatory requirements, and enhance plant performance to reduce operational costs and incorporate process enhancements.
- 3.4. Districts and Zones vary widely in size and scope, and Sonoma Water is working incrementally toward creating a master plan for each wastewater facility. The goal is to develop comprehensive master plans that enable Sonoma Water to strategically plan and budget for the implementation of wastewater system improvements in order to maintain reliable and efficient collection, treatment, storage, and disposal or reuse for current and future demand, growth, regulations, and emergency situations.
- 3.5. To protect public health and water quality, Sonoma Water’s treatment plants must meet the challenges of serving an increasing population while keeping costs down. The master plan(s) will determine the capacity of existing facilities and estimate future wastewater loads and regulation impacts based on Sonoma County’s General Plan, which is the blueprint for land use in unincorporated Sonoma County.
- 3.6. Sonoma Water requires the assistance of qualified firms to provide master planning services and execute special studies that aid in the master planning effort.
- 3.7. Sonoma Water reserves the right to amend an existing agreement or enter into subsequent agreement(s) with the firm selected, relying upon this competitive selection process, after the preliminary or initial work is completed for a project. This may include but is not limited to preliminary or initial design, feasibility study, and final design.

4. MINIMUM QUALIFICATIONS

- 4.1. Professional engineering license valid in California.
- 4.2. Firms that do not meet the minimum qualifications will not have their SOQs evaluated under Section 9, Evaluation, below.

5. PREVAILING WAGES

- 5.1. Pursuant to Labor Code sections 1720 and 1771, work performed under agreements developed from the list of qualified firms, if any, may be subject to prevailing wage

obligations and compliance monitoring and enforcement by the California Department of Industrial Relations (DIR). To be eligible for an agreement subject to prevailing wage requirements, a firm submitting an SOQ must be a DIR-registered contractor pursuant to Labor Code section 1725.5 at the time of SOQ submittal and at the time of any agreement execution.

- 5.2. DIR registration is not a requirement to submit an SOQ or for inclusion on the list of qualified consultants. An SOQ from any firm that is not a DIR-registered contractor at the time of SOQ submittal may be considered by Sonoma Water; however, any such firm will be deemed unqualified to receive an agreement for work subject to prevailing wages. To the extent a firm proposes use of any subcontractors, all such subcontractors shall similarly be DIR-registered contractors at the time of consultant's SOQ submittal in order for that consultant to qualify for consideration for agreements subject to prevailing wages.
- 5.3. Prevailing wage requirements are further detailed in Article 13 of the sample agreement, attached as Attachment 1 to this Request for Statements of Qualifications (RFQ).

6. LOCAL SERVICE PROVIDER PREFERENCE

- 6.1. A 5 percent weighting will be provided in the total SOQ rating score for local firms. A Local Service Provider (local firm) is defined as a business or consultant who has a valid physical address located within Sonoma County from which the vendor or consultant operates or performs business on a day-to-day-basis, and holds a valid business license if required by a city within the jurisdiction of Sonoma County. A business shall affirm it qualifies as a local business on the provided Attachment 2 (Declaration of Local Business for Services).

7. LIVING WAGE

- 7.1. If selected for an agreement, the firm must comply with any and all federal, state, and local laws – including, but not limited to, the County of Sonoma Living Wage Ordinance – affecting the services provided under the contract to be awarded pursuant to this RFQ. Without limiting the generality of the foregoing, the firms submitting SOQs expressly acknowledge and agree that any agreement developed from the list of qualified firms pursuant to this RFQ is subject to the provisions of Article XXVI of Chapter 2 of the Sonoma County Code, requiring payment of a living wage to covered employees. Noncompliance during the term of the agreement will be considered a material breach and may result in termination of the agreement.
- 7.2. The Living Wage Ordinance can be found at:
<http://sonomacounty.ca.gov/CAO/Living-Wage-Ordinance/>

8. SUBMITTAL OF SOQS

- 8.1. A sample agreement is enclosed. Please review the entire sample agreement carefully before submitting an SOQ. If any significant omissions or ambiguities in this

RFQ come to Sonoma Water's attention while under review by interested firms, Sonoma Water will make a uniform written response to all parties.

- 8.2. SOQs shall include the following:
 - a. A table of contents and page numbers.
 - b. Legal name of company, how organized (non-profit, LLC, etc.), and where company is incorporated. Not required for individuals.
 - c. Evidence of minimum qualifications (see Section 4 above).
 - d. Evidence of registration with the Department of Industrial Relations, if applicable (see Section 5 above).
 - e. A statement of similar work previously performed, including at least three references with name of organization, contact person, and telephone number.
 - f. A statement of qualifications and a list of personnel to be assigned to the work, including a resume for each, listing education, experience, and expertise in this type of work.
 - g. A rate schedule that lists hourly rates of personnel to be assigned to the work and expense costs.
 - h. Any proposed exceptions to the indemnification, insurance, or other standard terms of the sample agreement. Please make comments as specific as possible; reference to exceptions or negotiated terms included in prior agreements is not acceptable. Exceptions not explicitly stated in the SOQ will not be considered during negotiations. Please note that proposing significant changes to standard terms may result in a lower evaluation score. If standard terms are acceptable, include the statement "No exception to standard terms."
 - i. Completed Declaration of Local Business for Services, if applicable.
- 8.3. Submit electronic copy of SOQ to Sonoma Water at Submissions@scwa.ca.gov by 2:00 p.m., Wednesday, November 3, 2021. Please reference TW 21/22-018 in the subject line of the email. A confirmation email will be generated in response to each submission to this email address. If a confirmation email is not received, please check spam and junk mail folders.
- 8.4. In addition, submit SOQs to the County of Sonoma Purchasing Department via the Supplier Portal by the deadline for submission and in accordance with Attachment 3 (Supplier Portal Registration Guide). Sonoma County Supplier Portal Frequently Asked Questions can be found at [FAQs](#).
- 8.5. SOQs received after the electronic submittal deadline will not be accepted.
- 8.6. Confidentiality
 - a. Upon submission, SOQs shall be treated as confidential documents until the selection process is completed. The selection process is deemed completed after the creation of a list of qualified consultants, or completion of negotiations for an agreement, but before agreement execution. Once the selection process is completed, SOQs shall be deemed public record. In the event that a submitter

desires to claim portions of its SOQ exempt from disclosure, it is incumbent upon the submitter to clearly identify those portions with the word “Confidential” printed on the top right hand corner of each page for which such privilege is claimed and to clearly identify the information claimed confidential by highlighting, underlining, or bracketing the subject information. Examples of confidential materials include trade secrets. Each page shall be clearly marked and readily separable from the SOQ in order to facilitate public inspection of the non-confidential portion of the SOQ. Sonoma Water will consider a submitter’s request for exemptions from disclosure; however, Sonoma Water will make its decision based upon applicable laws. An assertion by a submitter that the entire SOQ, large portions of the SOQ, or a significant element of the SOQ, are exempt from disclosure will not be honored. Prices, makes and models or catalog numbers of the items offered, deliverables, and terms of payment shall be publicly available regardless of any designation to the contrary.

- b. Sonoma Water will endeavor to restrict distribution of material designated as confidential to only those individuals involved in the review and analysis of the SOQs. Submitters are cautioned that materials designated as confidential may nevertheless be subject to disclosure. Submitters are advised that Sonoma Water does not wish to receive confidential or proprietary information and those submitters are not to supply such information except when it is absolutely necessary. If any information or materials in any SOQ submitted are labeled confidential or proprietary, the SOQ shall include the following clause:
 - i. [Legal name of submitter] shall indemnify, defend and hold harmless the Sonoma County Water Agency, Occidental County Sanitation District, Russian River County Sanitation District, Sonoma Valley County Sanitation District, and South Park County Sanitation District, their officers, agents and employees from and against any request, action or proceeding of any nature and any damages or liability of any nature, specifically including attorneys' fees awarded under the California Public Records Act (Government Code §6250 et seq.) arising out of, concerning, or in any way involving any materials or information in this SOQ that [legal name of submitter] has labeled as confidential, proprietary, or otherwise not subject to disclosure as a public record.

9. **EVALUATION**

- 9.1. SOQs that do not include all of the information requested cannot be adequately evaluated. Evaluation will be based on:
 - a. Thoroughness of SOQ (Submittal Items 8.2.a and 8.2.b)
 - b. Professional qualifications and demonstrated ability to perform the work (Submittal Items 8.2.e and 8.2.f)
 - c. Exceptions to standard terms in the sample agreement (Submittal Item 8.2.h)
 - d. Local Service Provider Preference (Submittal Item 8.2.i)

- 9.2. Rates and costs requested in Submittal item 8.2.g are not part of the qualification evaluation. Rates and costs will be considered only for purposes of selecting firms placed on the list of qualified firms.
- 9.3. Final agreement(s) will be offered to qualified firms at a later date for specific scopes of work to be determined at Sonoma Water's discretion. If a selected firm is not willing to accept Sonoma Water's offer, other qualified firms may be contacted.

10. CONTACTS

- 10.1. Please send questions about the content of this RFQ to Sonoma Water at Submissions@scwa.ca.gov. Please reference TW 21/22-018 in the subject line of the email. If Sonoma Water considers interpretations or clarifications necessary, Sonoma Water will provide a written supplement to this RFQ.

12.1. *Status of Consultant:* The parties intend that Consultant, in performing the services specified herein, shall act as an independent contractor and shall control the work and the manner in which it is performed. Consultant is not to be considered an agent or employee of Sonoma Water and is not entitled to participate in any pension plan, worker's compensation plan, insurance, bonus, or similar benefits Sonoma Water provides its employees. In the event Sonoma Water exercises its right to terminate this Agreement pursuant to Article 6 (Termination), Consultant expressly agrees that it shall have no recourse or right of appeal under rules, regulations, ordinances, or laws applicable to employees.

12.2. *No Suspension or Debarment:* Consultant warrants that it is not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in covered transactions by any federal department or agency. Consultant also warrants that it is not suspended or debarred from receiving federal funds as listed in the List of Parties Excluded from Federal Procurement or Non-procurement Programs issued by the General Services Administration.

12.3. *Taxes:* Consultant agrees to file federal and state tax returns and pay all applicable taxes on amounts paid pursuant to this Agreement and shall be solely liable and responsible to pay such taxes and other obligations, including, but not

limited to, state and federal income and FICA taxes. Consultant agrees to indemnify and hold Sonoma Water harmless from any liability which it may incur to the United States or to the State of California or to any other public entity as a consequence of Consultant's failure to pay, when due, all such taxes and obligations. In case Sonoma Water is audited for compliance regarding any withholding or other applicable taxes, Consultant agrees to furnish Sonoma Water with proof of payment of taxes on these earnings.

- 12.4. *Records Maintenance:* Consultant shall keep and maintain full and complete documentation and accounting records concerning all services performed that are compensable under this Agreement and shall make such documents and records available to Sonoma Water for inspection at any reasonable time. Consultant shall maintain such records for a period of four (4) years following completion of work hereunder.
- 12.5. *Conflict of Interest:* Consultant covenants that it presently has no interest and that it will not acquire any interest, direct or indirect, that represents a financial conflict of interest under state law or that would otherwise conflict in any manner or degree with the performance of its services hereunder. Consultant further covenants that in the performance of this Agreement no person having any such interests shall be employed. In addition, if required by law or requested to do so by Sonoma Water, Consultant shall submit a completed Fair Political Practices Commission Statement of Economic Interests (Form 700) with Sonoma Water within 30 calendar days after the Effective Date of this Agreement and each year thereafter during the term of this Agreement, or as required by state law.
- 12.6. *Statutory Compliance/Living Wage Ordinance:* Consultant agrees to comply, and to ensure compliance by its subconsultants or subcontractors, with all applicable federal, state and local laws, regulations, statutes and policies, including but not limited to the County of Sonoma Living Wage Ordinance, applicable to the services provided under this Agreement as they exist now and as they are changed, amended or modified during the term of this Agreement. Without limiting the generality of the foregoing, Consultant expressly acknowledges and agrees that this Agreement is subject to the provisions of Article XXVI of Chapter 2 of the Sonoma County Code, requiring payment of a living wage to covered employees. Noncompliance during the term of the Agreement will be considered a material breach and may result in termination of the Agreement or pursuit of other legal or administrative remedies.
- 12.7. *Nondiscrimination:* Consultant shall comply with all applicable federal, state, and local laws, rules, and regulations in regard to nondiscrimination in employment because of race, color, ancestry, national origin, religion, sex, marital status, age, medical condition, pregnancy, disability, sexual orientation or other prohibited basis. All nondiscrimination rules or regulations required by law to be included in this Agreement are incorporated herein by this reference.

- 12.8. *Assignment of Rights:* Consultant assigns to Sonoma Water all rights throughout the world in perpetuity in the nature of copyright, trademark, patent, right to ideas, in and to all versions of the plans and specifications, if any, now or later prepared by Consultant in connection with this Agreement. Consultant agrees to take such actions as are necessary to protect the rights assigned to Sonoma Water in this Agreement, and to refrain from taking any action which would impair those rights. Consultant's responsibilities under this provision include, but are not limited to, placing proper notice of copyright on all versions of the plans and specifications as Sonoma Water may direct, and refraining from disclosing any versions of the plans and specifications to any third party without first obtaining written permission of Sonoma Water. Consultant shall not use or permit another to use the plans and specifications in connection with this or any other project without first obtaining written permission of Sonoma Water.
- 12.9. *Ownership and Disclosure of Work Product:* All reports, original drawings, graphics, plans, studies, and other data or documents ("documents"), in whatever form or format, assembled or prepared by Consultant or Consultant's subcontractors, consultants, and other agents in connection with this Agreement shall be the property of Sonoma Water. Sonoma Water shall be entitled to immediate possession of such documents upon completion of the work pursuant to this Agreement. Upon expiration or termination of this Agreement, Consultant shall promptly deliver to Sonoma Water all such documents, which have not already been provided to Sonoma Water in such form or format as Sonoma Water deems appropriate. Such documents shall be and will remain the property of Sonoma Water without restriction or limitation. Consultant may retain copies of the above described documents but agrees not to disclose or discuss any information gathered, discovered, or generated in any way through this Agreement without the express written permission of Sonoma Water.
- 12.10. *District Liability:* Districts are separate legal entities from Sonoma County Water Agency, operated under contract by Sonoma County Water Agency. To the extent any work under this Agreement relates to District activities, Consultant shall be paid exclusively from District funds. Consultant agrees that it shall make no claim for compensation for Consultant's services against Sonoma County Water Agency funds and expressly waives any right to be compensated from other funds available to Sonoma County Water Agency.

13. PREVAILING WAGES

- 13.1. *General:* Consultant shall pay to any worker on the job for whom prevailing wages have been established an amount equal to or more than the general prevailing rate of per diem wages for (1) work of a similar character in the locality in which the work is performed and (2) legal holiday and overtime work in said locality. The per diem wages shall be an amount equal to or more than the stipulated rates contained in a schedule that has been ascertained and determined by the Director of the State Department of Industrial Relations and

Sonoma Water to be the general prevailing rate of per diem wages for each craft or type of workman or mechanic needed to execute this Agreement. Consultant shall also cause a copy of this determination of the prevailing rate of per diem wages to be posted at each site work is being performed, in addition to all other job site notices prescribed by regulation. Copies of the prevailing wage rate of per diem wages are on file at Sonoma Water and will be made available to any person upon request.

- 13.2. *Subcontracts:* Consultant shall insert in every subcontract or other arrangement which Consultant may make for performance of such work or labor on work provided for in the Agreement, provision that Subcontractor shall pay persons performing labor or rendering service under subcontract or other arrangement not less than the general prevailing rate of per diem wages for work of a similar character in the locality in which the work is performed, and not less than the general prevailing rate of per diem wages for holiday and overtime work fixed in the Labor Code. Pursuant to Labor Code section 1775(b)(1), Consultant shall provide to each Subcontractor a copy of sections 1771, 1775, 1776, 1777.5, 1813, and 1815 of the Labor Code.
- 13.3. *Compliance Monitoring and Registration:* This project is subject to compliance monitoring and enforcement by the Department of Industrial Relations. 14. DEMAND FOR ASSURANCE

- 14.1. Each party to this Agreement undertakes the obligation that the other's expectation of receiving due performance will not be impaired. When reasonable grounds for insecurity arise with respect to the performance of either party, the other may in writing demand adequate assurance of due performance and until such assurance is received may, if commercially reasonable, suspend any performance for which the agreed return has not been received. "Commercially reasonable" includes not only the conduct of a party with respect to performance under this Agreement, but also conduct with respect to other agreements with parties to this Agreement or others. After receipt of a justified

demand, failure to provide within a reasonable time, but not exceeding thirty (30) days, such assurance of due performance as is adequate under the circumstances of the particular case is a repudiation of this Agreement. Acceptance of any improper delivery, service, or payment does not prejudice the aggrieved party's right to demand adequate assurance of future performance. Nothing in this Article 14 limits Sonoma Water's right to terminate this Agreement pursuant to Article 6 (Termination).

15. **ASSIGNMENT AND DELEGATION**

- 15.1. *Consent:* Neither party hereto shall assign, delegate, sublet, or transfer any interest in or duty under this Agreement without the prior written consent of the other, and no such transfer shall be of any force or effect whatsoever unless and until the other party shall have so consented.
- 15.2. *Subcontracts:* Notwithstanding the foregoing, Consultant may enter into subcontracts with the subconsultants specifically identified herein. If no subconsultants are listed, then no subconsultants will be utilized in the performance of the work specified in this Agreement. Approved subconsultants are as follows: **[TBD]**
- 15.3. *Change of Subcontractors or Subconsultants:* If, after execution of the Agreement, parties agree that subconsultants not listed in Paragraph 15.2 will be utilized, Consultant may enter into subcontracts with subconsultants to perform other specific duties pursuant to the provisions of this Paragraph 15.3. The following provisions apply to any subcontract entered into by Consultant other than those listed in Paragraph 15.2:
- a. Prior to entering into any contract with subconsultant, Consultant shall obtain Sonoma Water approval of subconsultant.
 - b. All agreements with subconsultants shall (a) contain indemnity requirements in favor of Sonoma Water in substantially the same form as that contained in Article 7 (Indemnification), (b) contain language that the subconsultant may be terminated with or without cause upon reasonable written notice, and (c) prohibit the assignment or delegation of work under the agreement to any third party.
- 15.4. *Summary of Subconsultants' Work:* Consultant shall provide Sonoma Water with a summary of work performed by subconsultants with each invoice submitted under Paragraph 4.1. Such summary shall identify the individuals performing work on behalf of subconsultants and the total amount paid to subconsultant, broken down by the tasks listed in the Scope of Work.

16. **METHOD AND PLACE OF GIVING NOTICE, SUBMITTING BILLS, AND MAKING PAYMENTS**

- 16.1. *Method of Delivery:* All notices, bills, and payments shall be made in writing and shall be given by personal delivery, U.S. Mail, courier service, or electronic

means. Notices, bills, and payments shall be addressed as specified in Paragraph 3.2.

- 16.2. *Receipt:* When a notice, bill, or payment is given by a generally recognized overnight courier service, the notice, bill, or payment shall be deemed received on the next business day. When a copy of a notice, bill, or payment is sent by electronic means, the notice, bill, or payment shall be deemed received upon transmission as long as (1) the original copy of the notice, bill, or payment is deposited in the U.S. mail and postmarked on the date of the electronic transmission (for a payment, on or before the due date), (2) the sender has a written confirmation of the electronic transmission, and (3) the electronic transmission is transmitted before 5 p.m. (recipient's time). In all other instances, notices, bills, and payments shall be effective upon receipt by the recipient. Changes may be made in the names and addresses of the person to whom notices are to be given by giving notice pursuant to this Article 16.

- 17.1. *No Bottled Water:* In accordance with Sonoma Water Board of Directors Resolution No. 09-0920, dated September 29, 2009, no Sonoma Water funding shall be used to purchase single-serving, disposable water bottles for use in Sonoma Water facilities or at Sonoma Water-sponsored events. This restriction shall not apply when potable water is not available.
- 17.2. *No Waiver of Breach:* The waiver by Sonoma Water of any breach of any term or promise contained in this Agreement shall not be deemed to be a waiver of such term or promise or any subsequent breach of the same or any other term or promise contained in this Agreement.
- 17.3. *Construction:* To the fullest extent allowed by law, the provisions of this Agreement shall be construed and given effect in a manner that avoids any violation of statute, ordinance, regulation, or law. - 17.6. *Applicable Law and Forum:* This Agreement shall be construed and interpreted according to the substantive law of California, regardless of the law of conflicts to the contrary in any jurisdiction. Any action to enforce the terms of this Agreement or for the breach thereof shall be brought and tried in Santa Rosa or in the forum nearest to the City of Santa Rosa, in the County of Sonoma.
- 17.7. *Captions:* The captions in this Agreement are solely for convenience of reference. They are not a part of this Agreement and shall have no effect on its construction or interpretation.
- 17.8. *Merger:* This writing is intended both as the final expression of the Agreement between the parties hereto with respect to the included terms and as a complete and exclusive statement of the terms of the Agreement, pursuant to Code of Civil Procedure section 1856. Each Party acknowledges that, in entering into this Agreement, it has not relied on any representation or undertaking, whether oral or in writing, other than those which are expressly set forth in this Agreement. No modification of this Agreement shall be effective unless and until such modification is evidenced by a writing signed by both parties.
- 17.9. *Survival of Terms:* All express representations, waivers, indemnifications, and limitations of liability included in this Agreement will survive its completion or termination for any reason.
- 17.10. *Time of Essence:* Time is and shall be of the essence of this Agreement and every provision hereof.

Sonoma Water reserves the right to review any and all of the required insurance policies and/or endorsements, but has no obligation to do so.
