Sonoma County Water Agency Request for Statements of Qualifications

Deadline for Submission

2:00 p.m., Wednesday, October 29, 2025

RE: REQUEST FOR STATEMENTS OF QUALIFICATIONS FOR FEDERAL AND STATE LEGISLATIVE OUTREACH AND RELATED SERVICES

1. INTRODUCTION

- 1.1. Sonoma County Water Agency and its affiliated sanitation districts ("Sonoma Water") invite Statements of Qualifications ("SOQs") from firms interested in providing federal and state legislative outreach and related services. A list of qualified firms will be developed and used over the next five years. No specific projects have been identified.
- 1.2. Sonoma Water does not guarantee work to any qualified firm.
- 1.3. This is not a bid process.

2. BACKGROUND

- 2.1. Sonoma County Water Agency is a California special district with responsibility for wholesale water supply, flood protection, wastewater treatment, and recycled water distribution. Sonoma County Water Agency also operates a hydroelectric plant and allows recreational use over some of its properties.

- 2.2. Sonoma County Water Agency owns, operates, and manages Geyserville Sanitation Zone, Penngrove Sanitation Zone, and Sea Ranch Sanitation Zone (“Zones”). Sonoma County Water Agency owns Airport/Larkfield/Wikiup Sanitation Zone. Town of Windsor operates and manages Airport/Larkfield/Wikiup Sanitation Zone under contract with Sonoma County Water Agency.
- 2.3. Sonoma County Water Agency operates and manages Occidental County Sanitation District, Russian River County Sanitation District, Sonoma Valley County Sanitation District, and South Park County Sanitation District (“Districts”) under contract with Districts.
- 2.4. Sonoma County Water Agency owns, operates, and maintains flood protection projects and provides flood protection services for the following watersheds: Laguna de Santa Rosa/Mark West Creek (Zone 1A), Petaluma River (Zone 2A), Valley of the Moon (Zone 3A), Lower Russian River (Zone 5A), North Coastal (Zones 7A), and South Coastal (Zone 8A) (“Flood Protection Zones”).
- 2.5. Every two years, Sonoma County Water Agency’s Board of Directors approves a state and federal legislative platform, along with agreements with legislative outreach consultants to implement the platforms. The platform serves as the strategic plan for legislative outreach efforts. Legislative tracking, legislative development, and pursuit of funding to offset costs are essential for success in fulfilling Sonoma County Water Agency’s mission and core functional responsibilities.
- 2.6. Sonoma Water’s legislative platform includes supporting legislative, regulatory, and funding solutions for a variety of initiatives and projects within Sonoma Water’s strategic plan. These include, but are not limited to, water supply and flood protection initiatives such as Forecast Informed Reservoir Operations; efforts to protect and restore endangered or threatened steelhead and salmon species in the Russian River watershed by implementing the 2025 Russian River Biological Opinion from the National Marine Fisheries Service; increasing renewable power production, reducing greenhouse gas emissions, and providing for climate change adaptation through a Carbon-Free Water initiative; addressing aging infrastructure in both wastewater and water transmission systems; addressing recycled water production and distribution; protecting waterways from invasive species such as the quagga/zebra/golden mussels; and researching and applying for funding sources on these and other initiatives and projects supporting Sonoma Water’s strategic plan.
- 2.7. Sonoma County Water Agency is governed by a Board of Directors that consists of members of the Sonoma County Board of Supervisors.
- 2.8. Sonoma Water reserves the right to amend an existing agreement or enter into subsequent agreement(s) with the firm selected, relying upon this competitive selection process, after the preliminary or initial work is completed for a project.

3. LOCAL SERVICE PROVIDER PREFERENCE

- 3.1. A 5 percent weighting will be provided in the total SOQ rating score for local firms. A Local Service Provider (local firm) is defined as a business or consultant who has a valid physical address located within Sonoma County from which the vendor or consultant operates or performs business on a day-to-day-basis, and holds a valid business license if required by a city within the jurisdiction of Sonoma County. A business shall affirm it qualifies as a local business on the provided Attachment 1 (Declaration of Local Business for Services).

4. LIVING WAGE

- 4.1. If selected for an agreement, the firm must comply with any and all federal, state, and local laws – including, but not limited to, the County of Sonoma Living Wage Ordinance – affecting the services provided under the contract to be awarded pursuant to this Request for Statements of Qualifications (“RFQ”). Without limiting the generality of the foregoing, the firms submitting SOQs expressly acknowledge and agree that any agreement developed from the list of qualified firms pursuant to this RFQ is subject to the provisions of Article XXVI of Chapter 2 of the Sonoma County Code, requiring payment of a living wage to covered employees. Noncompliance during the term of the agreement will be considered a material breach and may result in termination of the agreement.
- 4.2. The Living Wage Ordinance can be found at: [Living Wage Ordinance](#).

5. SUBMITTAL OF SOQS

- 5.1. A sample agreement is enclosed. Please review the entire sample agreement carefully before submitting an SOQ. If any significant omissions or ambiguities in this RFQ come to Sonoma Water’s attention while under review by interested firms, Sonoma Water will make a uniform written response to all parties.
- 5.2. SOQs shall include the following:
- a. A table of contents and page numbers.
 - b. Legal name of company, how organized (non-profit, LLC, etc.), and where company is incorporated. Not required for individuals.
 - c. A statement of similar work previously performed, including at least three references with name of organization, contact person, and telephone number.
 - d. A statement of qualifications and a list of personnel to be assigned to the work, including a resume for each, listing education, experience, and expertise in this type of work.
 - e. A rate schedule that lists hourly rates of personnel to be assigned to the work and expense costs.
 - f. Any proposed exceptions to the indemnification, insurance, or other standard terms of the sample agreement. Please make comments specific; reference

to exceptions or negotiated terms included in prior agreements is not acceptable. Exceptions not explicitly stated in the SOQ using the exact language requested will not be considered during negotiations. Please note that proposing significant changes to standard terms may result in a lower evaluation score. If standard terms are acceptable, include the statement “No exception to standard terms.”

g. Completed Declaration of Local Business for Services, if applicable.

5.3. Submit electronic copy of SOQ to Sonoma Water at Submissions@scwa.ca.gov by 2:00 p.m., Wednesday, October 29, 2025. Please reference TW 25/26-034 in the subject line of the email. A confirmation email will be generated in response to each submission to this email address. If a confirmation email is not received, please check spam and junk mail folders.

5.4. SOQs received after the electronic submittal deadline will not be accepted.

5.5. Confidentiality

a. Upon submission, SOQs shall be treated as confidential documents until the selection process is completed. The selection process is deemed completed after the creation of a list of qualified consultants, or completion of negotiations for an agreement, but before agreement execution. Once the selection process is completed, SOQs shall be deemed public record. In the event that a submitter desires to claim portions of its SOQ exempt from disclosure, it is incumbent upon the submitter to clearly identify those portions with the word “Confidential” printed on the top right hand corner of each page for which such privilege is claimed and to clearly identify the information claimed confidential by highlighting, underlining, or bracketing the subject information. Examples of confidential materials include trade secrets. Each page shall be clearly marked and readily separable from the SOQ in order to facilitate public inspection of the non-confidential portion of the SOQ. Sonoma Water will consider a submitter’s request for exemptions from disclosure; however, Sonoma Water will make its decision based upon applicable laws. An assertion by a submitter that the entire SOQ, large portions of the SOQ, or a significant element of the SOQ, are exempt from disclosure will not be honored. Prices, makes and models or catalog numbers of the items offered, deliverables, and terms of payment shall be publicly available regardless of any designation to the contrary.

b. Sonoma Water will endeavor to restrict distribution of material designated as confidential to only those individuals involved in the review and analysis of the SOQs. Submitters are cautioned that materials designated as confidential may nevertheless be subject to disclosure. Submitters are advised that Sonoma Water does not wish to receive confidential or proprietary information and those submitters are not to supply such information except when it is absolutely necessary. If any information or materials in any SOQ submitted

are labeled confidential or proprietary, the SOQ shall include the following clause:

- i. [Legal name of submitter] shall indemnify, defend and hold harmless the Sonoma County Water Agency, Occidental County Sanitation District, Russian River County Sanitation District, Sonoma Valley County Sanitation District, and South Park County Sanitation District, their officers, agents and employees from and against any request, action or proceeding of any nature and any damages or liability of any nature, specifically including attorneys' fees awarded under the California Public Records Act (Government Code §6250 et seq.) arising out of, concerning, or in any way involving any materials or information in this SOQ that [legal name of submitter] has labeled as confidential, proprietary, or otherwise not subject to disclosure as a public record.

6. EVALUATION

- 6.1. SOQs that do not include all of the information requested cannot be adequately evaluated. Evaluation will be based on:
 - a. Thoroughness of SOQ.
 - b. Professional qualifications and demonstrated ability to perform the work (Submittal Items 5.2.c and 5.2.d).
 - c. Exceptions to standard terms in the sample agreement (Submittal Item 5.2.f).
 - d. Local Service Provider Preference (Submittal Item 5.2.g).
- 6.2. Rates and costs requested in Submittal Item 5.2.e are not part of the qualification evaluation. Rates and costs will be considered only for purposes of selecting firms placed on the list of qualified firms.
- 6.3. Final agreement(s) will be offered to qualified firms at a later date for specific scopes of work to be determined at Sonoma Water's discretion. If a selected firm is not willing to accept Sonoma Water's offer, other qualified firms may be contacted.

7. CONTACTS

- 7.1. Please send questions about the content of this RFQ to Sonoma Water at Submissions@scwa.ca.gov. Please reference TW 25/26-034 in the subject line of the email. If Sonoma Water considers interpretations or clarifications necessary, Sonoma Water will provide a written supplement to this RFQ.

Sincerely,

Brad Sherwood

The Confidential Information may include confidential or proprietary information or trade secrets exempt from disclosure under provisions of the California Public Records Act. In consideration of disclosure by Sonoma Water of Confidential Information to Consultant, Consultant and its agents shall hold any material or information designated by Sonoma Water as Confidential in strict confidence and shall not disclose it or otherwise make it available, in any form or matter whatsoever, to any person or entity without the prior written consent of Sonoma Water, except as may be ordered by a court of law. Immediately upon receipt of any request or demand for disclosure of any Confidential Information within the scope of this Agreement, Consultant shall give Sonoma Water written notice and a copy of the request and the time period, if any, within which Consultant is required to respond to the request. Upon termination of this Agreement, Consultant shall return Confidential Information in its possession, including copies, to Sonoma Water. - 13.1. Each party to this Agreement undertakes the obligation that the other's expectation of receiving due performance will not be impaired. "Commercially reasonable" includes not only the conduct of a party with respect to performance under this Agreement, but also conduct with respect to other agreements with parties to this Agreement or others. After receipt of a justified demand, failure to provide within a reasonable time, but not exceeding thirty (30) days, such assurance of due performance as is adequate under the circumstances of the particular case is a repudiation of this Agreement. Acceptance of any improper delivery, service, or payment does not prejudice the aggrieved party's right to demand adequate assurance of future performance. Nothing in this Article 13 limits Sonoma Water's right to terminate this Agreement pursuant to Article 6 (Termination).

14. ASSIGNMENT AND DELEGATION

- 14.1. *Consent:* Neither party hereto shall assign, delegate, sublet, or transfer any interest in or duty under this Agreement without the prior written consent of the other, and no such transfer shall be of any force or effect whatsoever unless and until the other party shall have so consented.

The following provisions apply to any subcontract entered into by Consultant other than those listed in Paragraph 14.2:
- a. Prior to entering into any contract with subconsultant, Consultant shall obtain Sonoma Water approval of subconsultant.

- b. All agreements with subconsultants shall (a) contain indemnity requirements in favor of Sonoma Water in substantially the same form as that contained in Article 7 (Indemnification), (b) contain language that the subconsultant may be terminated with or without cause upon reasonable written notice, and (c) prohibit the assignment or delegation of work under the agreement to any third party.

14.4. *Summary of Subconsultants' Work:* Consultant shall provide Sonoma Water with a summary of work performed by subconsultants with each invoice submitted under Paragraph 4.3. 15.2. *Receipt:* When a notice, bill, or payment is given by a generally recognized overnight courier service, the notice, bill, or payment shall be deemed received on the next business day. Any action to enforce the terms of this Agreement or for the breach thereof shall be brought and tried in Santa Rosa or in the forum nearest to the City of Santa Rosa, in the County of Sonoma.
- 16.7. *Captions:* The captions in this Agreement are solely for convenience of reference. They are not a part of this Agreement and shall have no effect on its construction or interpretation.
- 16.8. *Merger:* This writing is intended both as the final expression of the Agreement between the parties hereto with respect to the included terms and as a complete and exclusive statement of the terms of the Agreement, pursuant to Code of Civil Procedure section 1856. Each Party acknowledges that, in entering into this Agreement, it has not relied on any representation or undertaking, whether oral or in writing, other than those which are expressly set forth in this Agreement. No modification of this Agreement shall be effective unless and until such modification is evidenced by a writing signed by both parties.
