Sonoma County Water Agency Request for Statements of Qualifications

Deadline for Submission

2:00 p.m., Wednesday, May 1, 2019

**RE: REQUEST FOR STATEMENTS OF QUALIFICATIONS FOR AS-NEEDED
MAINTENANCE OF ELECTRICAL EQUIPMENT**

I. Introduction

The Sonoma County Water Agency and its affiliated sanitation districts (Sonoma Water) invites Statements of Qualifications (SOQs) from firms interested in providing as-needed maintenance of electrical equipment and related services. A list of qualified firms will be developed and used over the next three years.

Sonoma Water does not guarantee work to any qualified firm.

This is not a bid process.

II. Background

Sonoma Water requires as-needed electrical equipment maintenance which includes, but is not limited to, repairing and testing low- and medium-voltage switchgears, transformers, and appurtenances. Future work may include, but is not limited to, the following:

- Medium and low voltage switchgear visual inspections, cleaning, and testing per manufacturer's recommendations
- Protective relay testing and calibrating
- Medium voltage transformer testing, cleaning, noise level and vibration checking; and oil sampling

- Cleaning switchgears, switchboards, and torquing connections
- Repairing or replacing equipment

Sonoma Water reserves the right to amend the existing agreement or enter into subsequent agreement(s) with the service provider selected, relying upon this competitive selection process.

III. Prevailing Wages

Pursuant to Labor Code sections 1720 and 1771, work performed under agreements developed from the list of qualified firms, if any, may be subject to prevailing wage obligations and compliance monitoring and enforcement by the California Department of Industrial Relations (DIR). To be eligible for an agreement subject to prevailing wage requirements, a firm submitting an SOQ must be a DIR-registered contractor pursuant to Labor Code section 1725.5 at the time of SOQ submittal and at the time of any agreement execution.

An SOQ from any firm that is not a DIR-registered contractor at the time of SOQ submittal may be considered by Sonoma Water, but any such firm will be deemed unqualified to receive an agreement for work subject to prevailing wages. To the extent a firm proposes use of any subcontractors, all such subcontractors shall similarly be DIR-registered contractors at the time of consultant's SOQ submittal in order for that consultant to qualify for consideration for agreements subject to prevailing wages.

Prevailing wage requirements are further detailed in Article 15 of the sample agreement, attached as Attachment 1 to this Request for Statements of Qualifications (RFQ).

IV. Local Service Provider Preference

A 5 percent weighting will be provided in the total SOQ rating score for local firms. A Local Service Provider (local firm) is defined as a business or consultant who has a valid physical address located within Sonoma County from which the vendor or consultant operates or performs business on a day-to-day-basis, and holds a valid business license if required by a city within the jurisdiction of Sonoma County. A business shall affirm it qualifies as a local business on the provided Attachment 2 (Declaration of Local Business for Services).

V. Living Wage

If selected for an agreement, the firm must comply with any and all federal, state, and local laws – including, but not limited to, the County of Sonoma Living Wage Ordinance – affecting the services provided under the contract to be awarded pursuant to this RFQ. Without limiting the generality of the foregoing, the firms submitting SOQs expressly acknowledge and agree that any agreement developed from the list of qualified firms pursuant to this RFQ is subject to the provisions of Article XXVI of Chapter 2 of the Sonoma County Code, requiring payment of a living wage to covered employees. Noncompliance during the term of the agreement will be considered a material breach and may result in termination of the agreement.

The link to the Living Wage Ordinance is: <http://sonomacounty.ca.gov/CAO/Living-Wage-Ordinance/>

VI. Submittal of SOQs

A sample agreement is enclosed. Please review the entire sample agreement carefully before submitting an SOQ. If any significant omissions or ambiguities in this RFQ come to Sonoma Water's attention while under review by interested firms, Sonoma Water will make a uniform written response to all parties.

SOQs shall include the following:

1. A Table of Contents and page numbers.
2. Legal name of company, how organized (non-profit, LLC, etc.), and where company is incorporated. Not required for individuals.
3. Evidence of registration with the Department of Industrial Relations, if applicable (see Section V above).
4. A statement of similar work previously performed, including at least three references with name of organization, contact person, and telephone number. Include a discussion of experience in maintaining, testing, and repairing substations, low- and medium-voltage switchgear, and dry and oil transformers.
5. A statement of qualifications and a list of personnel to be assigned to the work, including a resume for each, listing education, experience, and expertise in this type of work. Indicate qualifications as IBEW Journeyman or factory-trained technicians and engineers, and include the number of years of experience maintaining, testing, and repairing electrical equipment used at water and wastewater facilities.
6. Safety rating of the company.
7. A list of company-provided support services, such as sales, marketing, engineering, operations, trained factory technicians, and expert power consultants available to recommend measures to increased safety and system reliability, optimize performance, and extend the useful life of electrical equipment.
8. Distance in hours from Sonoma County.
9. A rate schedule that lists hourly rates of personnel to be assigned to the work and expense costs.
10. Any proposed exceptions to the indemnification, insurance, or other standard terms of the sample agreement. Please make comments as specific as possible. Exceptions not explicitly stated in the SOQ will not be considered during negotiations. Please note that proposing significant changes to standard terms may result in a lower evaluation score. If standard terms are acceptable, include the statement "No exception to standard terms."
11. Completed Declaration of Local Business for Services, if applicable.

Submit electronic copy of SOQ to Sonoma Water at Submissions@scwa.ca.gov by 2:00 p.m., Wednesday, May 1, 2019. Please reference TW 18/19-116 in the subject line of the email. A confirmation email will be generated in response to each submission to this email address. If a confirmation email is not received, please check spam and junk mail folders.

In addition, submit SOQs to the County of Sonoma Purchasing Department via the Supplier Portal by the deadline for submission and in accordance with Attachment 3 (Supplier Portal Registration Guide).

Submit one hard copy of the SOQ to Sonoma Water within one week of electronic submittal. Mail to the attention of Central Records, Sonoma County Water Agency, or hand deliver to 404 Aviation Boulevard, Santa Rosa, California 95403-9019. Please reference TW 18/19-116 on the front of the SOQ.

VII. Evaluation

SOQs that do not include all of the information requested cannot be adequately evaluated. Evaluation will be based on:

1. Thoroughness of SOQ (Submittal items 1 and 2).
2. Professional qualifications and demonstrated ability to perform the work (Submittal items 4, 5, 6, 7, and 8).
3. Exceptions to standard terms in the sample agreement (Submittal item 10).
4. Local Service Provider Preference (Submittal item 11).

Rates requested in Submittal item 8 are not part of the qualification evaluation. Rates will be considered only for purposes of selecting firms placed on the list of qualified consultants.

Final agreement(s) will be offered to qualified consultants at a later date for specific scopes of work to be determined at Sonoma Water's discretion. If a selected firm is not willing to accept Sonoma Water's offer, other qualified firms may be contacted.

VIII. Contacts

Please send questions about the content of this RFQ to Sonoma Water at Submissions@scwa.ca.gov. Please reference TW 18/19-116 in the subject line of the email. If Sonoma Water considers interpretations or clarifications necessary, Sonoma Water will provide a written supplement to this RFQ.

In case Sonoma Water is audited for compliance regarding any withholding or other applicable taxes, Service Provider agrees to furnish Sonoma Water with proof of payment of taxes on these earnings.

- 14.4. *Records Maintenance:* Service Provider shall keep and maintain full and complete documentation and accounting records concerning all services performed that are compensable under this Agreement and shall make such documents and records available to Sonoma Water for inspection at any reasonable time. 16.1. Each party to this Agreement undertakes the obligation that the other's expectation of receiving due performance will not be impaired. When reasonable grounds for insecurity arise with respect to the performance of either party, the other may in writing demand adequate assurance of due performance and until such assurance is received may, if commercially reasonable, suspend any performance for which the agreed return has not been received. "Commercially reasonable" includes not only the conduct of a party with respect to performance under this Agreement, but also conduct with respect to other agreements with parties to this Agreement or others. After receipt of a justified demand, failure to provide within a reasonable time, but not exceeding thirty (30) days, such assurance of due performance as is adequate under the circumstances of the particular case is a repudiation of this Agreement. Acceptance of any improper delivery, service, or payment does not prejudice the aggrieved party's right to demand adequate assurance of future performance. Nothing in this Article 15 limits Sonoma Water's right to terminate this Agreement pursuant to Article 8 (Termination).

17. **ASSIGNMENT AND DELEGATION**

- 17.1. *Consent:* Neither party hereto shall assign, delegate, sublet, or transfer any interest in or duty under this Agreement without the prior written consent of the other, and no such transfer shall be of any force or effect whatsoever unless and until the other party shall have so consented.

 - b. All agreements with subconsultants shall (a) contain indemnity requirements in favor of Sonoma Water in substantially the same form as that contained in Article 9 (Indemnification), (b) contain language that the subconsultant may be terminated with or without cause upon reasonable written notice, and (c) prohibit the assignment or delegation of work under the agreement to any third party.

- 17.4. *Summary of Subconsultants' Work:* Service Provider shall provide Sonoma Water with a summary of work performed by subconsultants with each invoice submitted under Paragraph 6.3. - 19.7. *Captions:* The captions in this Agreement are solely for convenience of reference. They are not a part of this Agreement and shall have no effect on its construction or interpretation.
- 19.8. *Merger:* This writing is intended both as the final expression of the Agreement between the parties hereto with respect to the included terms and as a complete and exclusive statement of the terms of the Agreement, pursuant to Code of Civil Procedure section 1856.
